LOGNOTE -- Chief, Operations Group, 9 October 1985

1. (Lowcock) I had a talk today with [] about what PMCD has told him to do in Panama regarding the Bureau Chief's position classification. Norm advised that his orders are to coordinate with the classifiers and to get from them a list of questions to discuss with the Bureau Chief. His role is solely one of information collector. He will bring back whatever he learns to the classifiers for further action. He also advised that the man now handling the FBIS Staff account in PMCD is [], Norm doubted PMCD would approve a TDY to Panama for [] at this point since he is brand new in the job.
